INVESTIGATIVE SUMMARY

INCIDENT:	**On-Duty Non-Hit Shooting**
IAB FILE #:	**SH 2531680**
URN#:	**021-04724-1432-055**
DATE/TIME:	**May 13, 2021, 1820 Hours**
LOCATION:	[redacted]

SYNOPSIS

On May 13, 2021, Internal Affairs Bureau (IAB) Investigators Sergeants Benjamin Grubb, #[redacted] Louis Serrano, #[redacted] and Lieutenant Thomas Arellano, #[redacted] responded to La Puente regarding an on-duty deputy-involved non-hit shooting. Sergeant Grubb was assigned the administrative review of the incident.

Lieutenant Arellano confirmed the incident commander, Lieutenant David Petrocelli, #[redacted] took reasonable steps to ensure the involved employees and witnesses did not discuss the incident among themselves or with uninvolved persons prior to being interviewed by the assigned investigators. Lieutenant Arellano also checked with Lieutenant Petrocelli to ensure the involved and witness personnel did not collectively consult with their attorney or representative. Lieutenant Arellano also verified the personnel gathered in the company of a supervisor until they provided their statements to the assigned investigators.

The shooting incident was investigated by the Los Angeles County Sheriff's Department's (LASD) Operation Safe Streets (OSS) Detectives Armando Orellana, #[redacted] and Karlos Millan, #[redacted] The results of their investigation, associated reports, and associated content were compiled into a digital file, under URN # 021-04724-1432-055 **[EXHIBIT A]**.

> IAB Note: **OSS is a bureau within the LASD which provides gang suppression, intelligence and expert investigative support to the jurisdictions served by the Los Angeles County Sheriff's Department.**

SUMMARY

On May 13, 2021, LASD OSS personnel assigned to Industry Sheriff's Station (IDT) conducted a search warrant operation with the assistance of the Los Angeles County District Attorney (LADA) Investigators' Special Enforcement Team (SET). OSS also utilized Industry Sheriff's Station deputies to assist with the operations.

IAB Note: **LADA SET is a specialized team of investigators within the Los Angeles County District Attorney's Office. They conduct probation and parole compliance operations and assist outside agencies with probation related operations and surveillance.**

The OSS team utilized the LADA investigators because of their unique skills and abilities in relation to the undercover surveillance and apprehension of probation absconders. The OSS team worked and trained with the team of LADA investigators often. The OSS and LADA teams had cellular phone communication prior to the execution of the operation.

The search warrant operation was related to the apprehension and arrest of Eddie Caldera (Suspect Caldera), who was on [redacted] **[MISCELLANEOUS DOCUMENTS – Suspect Caldera's Booking Information and Consolidated Criminal History Report]**. [redacted]

IAB Note: [redacted]

OSS Detective David Rodriguez (Witness Rodriguez) completed a Search Warrant Affidavit **[MISCELLANEOUS DOCUMENTS – Search Warrants, Search Warrant Checklists and Operations Plans]**, which was signed by Los Angeles County Superior Court Judge Rubiya Nur.

The warrant included an address in the city of La Puente where Suspect Caldera was potentially located, [redacted] Based on the information known to OSS detectives prior to the search warrant service, a search operations risk assessment was completed, which included a search warrant checklist and operations plan **[MISCELLANEOUS DOCUMENTS – Search Warrants, Search Warrant Checklists and Operations Plans]**.

After a review of the known potential hazards associated with the apprehension of Suspect Caldera, the search warrant service was determined to be a "moderate risk" search operation. The checklist indicated a moderate risk search warrant did not

require the response nor consultation with the LASD's special weapons team, Special Enforcement Bureau (SEB), prior to the search warrant service. The operations plan and search warrant checklist were reviewed and approved by OSS Lieutenant David Aune, prior to the service of the search warrant.

A briefing was held at the OSS office at IDT prior to the service of the search warrant. The operations plan and search warrant information were communicated to the participating OSS detectives, LADA investigators, and IDT deputies. The LASD personnel with assigned body-worn cameras (BWC) were instructed to turn them off at the search warrant location to protect the identities of the undercover LADA investigators.

OSS, LADA, and Industry Station personnel responded to the [redacted] address with the intent to serve the search warrant at that location. The LADA investigators were utilized in an undercover surveillance capacity during the operation.

Prior to the search warrant service at the Aileron address, the OSS detectives received information from the [redacted] that Suspect Caldera was currently at an apartment located at [redacted] OSS detectives sent the LADA investigators to the Loukelton address to conduct undercover surveillance and to confirm Suspect Caldera's presence.

Detective Rodriguez completed a Search Warrant Addendum **[MISCELLANEOUS DOCUMENTS – Search Warrants, Search Warrant Checklists and Operations Plans]**, which amended the search warrant address to [redacted] The warrant addendum was signed by Los Angeles County Superior Court Judge Rubiya Nur. An additional search operation risk assessment, search warrant checklist and operations plan were completed and approved for the [redacted] address, which was an apartment unit within an attached multi-unit building.

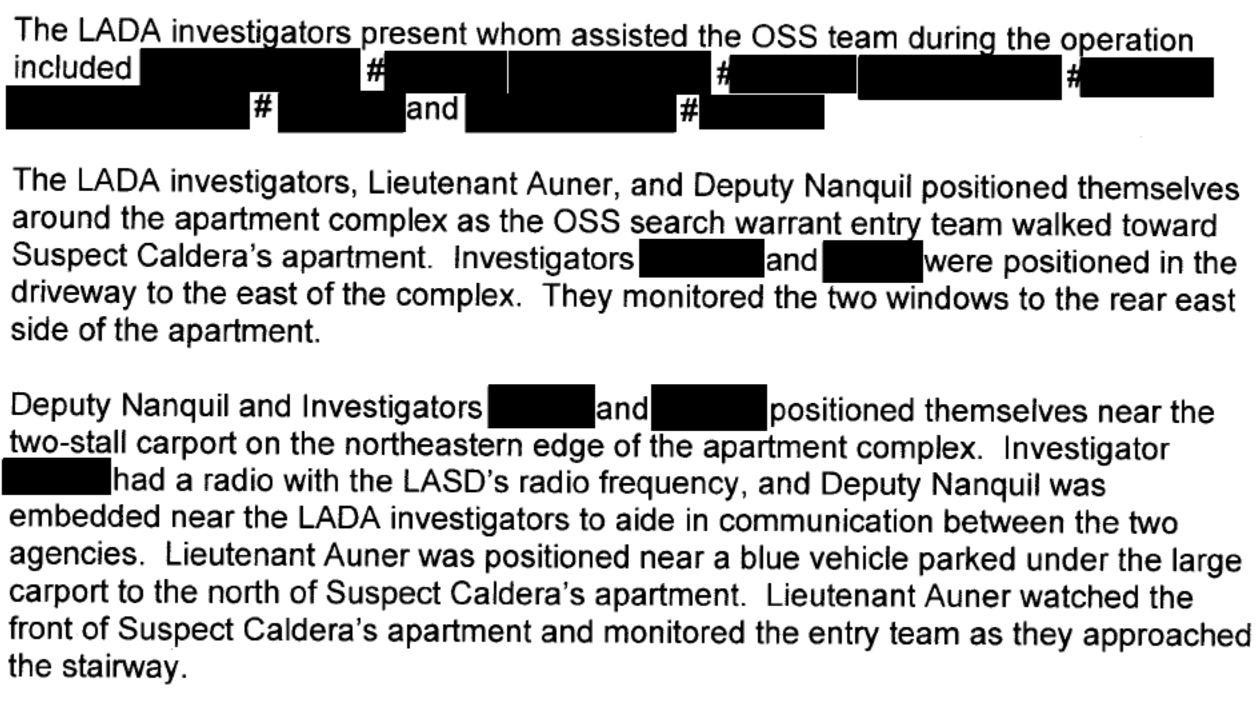

IAB Note: The operations plan [MISCELLANEOUS DOCUMENTS, Search Warrants, Search Warrant Checklists and Operations Plans, [redacted] Operations Plan page two] associated with the [redacted] address contained an error, which incorrectly stated "Suspect Gutierrez" in place of Suspect Caldera's name.

The LADA investigators responded to the [redacted] address at approximately 3:00-4:00 PM, approximately two to three hours prior to the arrival of the LASD personnel. The LADA investigators conducted surveillance operations at the location and communicated with the OSS team via cellular phones.

The surveillance intelligence conducted by LADA investigators included the apartment complex layout and specific apartment identification. The LADA investigators identified Suspect Caldera's apartment and spoke to residents of the apartment complex. The residents indicated two male Hispanic adults, one of which matched Suspect Caldera's description, resided at [redacted]

The OSS team, along with assisting Industry Station deputies, arrived at approximately 6:18 PM and joined the LADA investigators, who had completed the surveillance operation. The OSS team included Lieutenant Auner, Sergeant Joaquin Rincon, Detectives Eric Saavedra, Steven Lopez (Witness Lopez), Jesus Rubio and David Rodriguez.

Industry Station deputies present whom assisted the OSS team during the operation included Jose Nanquil, Ernest Magana, Christian Lopez Rivas, Jason Haringsma, and Bruno De Oliveira.

The LADA investigators present whom assisted the OSS team during the operation included [redacted] #[redacted] [redacted] #[redacted] [redacted] #[redacted] [redacted] #[redacted] and [redacted] #[redacted]

The LADA investigators, Lieutenant Auner, and Deputy Nanquil positioned themselves around the apartment complex as the OSS search warrant entry team walked toward Suspect Caldera's apartment. Investigators [redacted] and [redacted] were positioned in the driveway to the east of the complex. They monitored the two windows to the rear east side of the apartment.

Deputy Nanquil and Investigators [redacted] and [redacted] positioned themselves near the two-stall carport on the northeastern edge of the apartment complex. Investigator [redacted] had a radio with the LASD's radio frequency, and Deputy Nanquil was embedded near the LADA investigators to aide in communication between the two agencies. Lieutenant Auner was positioned near a blue vehicle parked under the large carport to the north of Suspect Caldera's apartment. Lieutenant Auner watched the front of Suspect Caldera's apartment and monitored the entry team as they approached the stairway.

The entry team walked up the stairs to the second-floor hallway landing, which was directly in front of Suspect Caldera's apartment. The entry team consisted of Sergeant Rincon and Detectives Saavedra, Rodriguez, Rubio, and Lopez. Sergeant Rincon activated an audio recorder as Detective Lopez gave the "knock and notice" advisement several times and knocked on the door. Deputies Magana, Haringsma, Lopez Rivas, and De Oliveira were positioned behind the entry team near the bottom of the stairwell.

IAB Note: Detective Lopez conducted the "knock and notice" procedure in accordance with California Penal Code (PC) 1531. Detective Lopez included multiple loud knocks on the door and gave multiple verbal announcements to make the apartment occupants aware of the presence of law enforcement. Detective Lopez explained their intention to serve a search warrant at the address.

There was no answer at the locked security screen door; however, team members heard noises from inside Suspect Caldera's apartment consistent with the occupants'

movement. Detective Saavedra used the pick tool and pried open the security screen. Detective Rodriguez struck the wood door with the ram tool several times. The wood door became compromised but was not opened.

IAB Note: It was later learned Suspects Caldera and Raymond Cabral (Suspect Cabral) were the sole occupants of the apartment at [redacted] They were each separately interviewed on May 13, 2021, by OSS Detectives Carlos Gutierrez, #[redacted] and Armando Arevalo, #[redacted] Both Suspect Caldera's and Cabral's interviews were audio recorded and transcribed [EXHIBIT A, OSS Interview Audios and Transcripts].

As Investigator [redacted] stood on the eastern driveway outside, he heard the apartment window slide open and looked up. Suspect Caldera pointed a multicolored rifle down in his direction and Investigator [redacted] believed he was going to be shot. From approximately 20 feet away, Investigator [redacted] discharged his firearm upward, twice, at Suspect Caldera.

Investigator [redacted] saw Suspect Caldera leaned out of the apartment window and pointed the rifle at Investigator [redacted] Investigator [redacted] feared Investigator [redacted] would be shot. From approximately 35 feet away, Investigator [redacted] shot approximately two to three times at Suspect Caldera. Suspect Caldera disappeared from the window into the apartment. Seconds later, Suspect Caldera appeared again in the window with the rifle pointed toward Investigator [redacted] Investigator [redacted] retreated backward and fired an additional time at Suspect Caldera from approximately 28 feet away. Investigator [redacted] yelled out, "He's got a rifle." Suspect Caldera disappeared again into the apartment window with the rifle.

The entry team heard the above gunfire and initially believed the suspect(s) inside the apartment had shot at them. The entry team retreated from the partially breeched front door and ran down the stairway. They positioned themselves in the breezeway pedestrian entrance with Deputies De Oliveira and Haringsma. Deputy Magana went into the front yard area of the apartment complex and broadcasted emergent radio traffic. Deputy Magana stated that deputies had been fired upon. Deputy Magana ran to his parked vehicle, retrieved an M4 rifle, and positioned himself on the west side of the apartment complex.

Deputy Nanquil was on the ground north of the apartment, just west of Investigator [redacted] Deputy Nanquil heard the gunfire and believed the LADA investigators exchanged gunfire with the suspect(s) near the east window. Deputy Nanquil heard Investigator [redacted] shout Suspect Caldera had a long rifle. Deputy Nanquil pointed his firearm up toward the direction of the north wall of Suspect Caldera's apartment. Deputy Nanquil determined he was in a bad position on the north side of the building. Suspect Caldera's apartment's rear window was a threat, so he could not go east. The

front door was also a threat, so he could not go west. Deputy Nanquil remained near the north wall of Suspect Caldera's apartment.

Investigator [redacted] was southeast of Suspect Caldera's apartment building near the driveway entrance. Investigator [redacted] saw Investigator [redacted] underneath a detached carport, east of Suspect Caldera's apartment rear window, where Suspect Caldera had appeared to Investigators [redacted] and [redacted] Investigator [redacted] told Investigator [redacted] to move to a different position. As Investigator [redacted] began to move out from underneath the carport, Investigator [redacted] saw a dark silhouette appear in Suspect Caldera's apartment rear window. To Investigator [redacted] the silhouette appeared to be the suspect, in a pointed stance, armed with a rifle. Investigator [redacted] feared Suspect Caldera was going to approach the window with a rifle and shoot Investigator [redacted] who was moving from underneath the carport and would be exposed. From approximately seventy-two feet away, Investigator [redacted] fired twice at Suspect Caldera in the window.

Investigator [redacted] rounds traveled in a northwest direction. The rounds entered through Suspect Caldera's apartment and exited through the north wall of Suspect Caldera's apartment. Deputy Nanquil saw the stucco and debris and concluded Suspect Caldera was shooting at him through the north wall with a rifle. Deputy Nanquil thought if he did not discharge his firearm, he would be shot. Deputy Nanquil aimed his firearm at the area where the stucco material had come off the wall. From approximately twenty-five feet away, he fired two consecutive shots at Suspect Caldera to stop the threat and keep himself from being shot. Deputy Nanquil immediately broadcasted emergent radio traffic and advised a deputy-involved shooting had occurred. Deputy Nanquil activated his BWC and repositioned himself behind a carport wall east of the apartment complex with Investigator [redacted]

Lieutenant Auner saw Investigator [redacted] discharged his firearm and saw Investigator [redacted] and Deputy Nanquil scrambled around for cover. Lieutenant Auner determined that they were engaged in gunfire with a threat at the rear of Suspect Caldera's apartment. Lieutenant Auner, Sergeant Rincon and Detective Saavedra shouted to each other. They formed a plan to provide cover fire to get Investigator [redacted] and Deputy Nanquil out of their position and over to Lieutenant Auner's position northwest of Suspect Caldera's apartment.

Lieutenant Auner was approximately thirty feet from Suspect Caldera's apartment window. Lieutenant Auner saw the muzzle of a rifle protrude from the otherwise closed blinds. The muzzle was pointed south toward the direction of the entry team near the breezeway. Lieutenant Auner feared the entry team would be shot. Lieutenant Auner aimed at the window above the area where he believed Suspect Caldera's chest would be and fired approximately five or six shots. The window shattered. Seconds later, Lieutenant Auner saw the same rifle muzzle was now pointed in his direction and feared he was going to be shot and killed. From the same approximate position, he fired another five or six shots at the window toward where he believed Suspect Caldera was hidden behind the blinds.

Deputy Magana was positioned on the west side of the apartment complex, approximately seventy-two feet from Suspect Caldera's window. Deputy Magana also saw the barrel of the rifle in the window pointed at OSS Lieutenant Auner. Deputy Magana saw Lieutenant Auner shoot at Suspect Caldera and believed Suspect Caldera and Lieutenant Auner were engaged in mutual gunfire. Deputy Magana feared Lieutenant Auner could be killed. Deputy Magana determined Suspect Caldera was positioned to the right of the window, behind the front door area of the apartment. As the barrel of the rifle disappeared behind the blinds, Deputy Magana feared Suspect Caldera would continue to shoot at Lieutenant Auner through the window blinds or through the wall. Deputy Magana fired approximately five times, with the M4 rifle, in the area in which he believed Suspect Caldera was positioned.

Investigator [redacted] ran to his vehicle parked in the carport underneath Suspect Caldera's apartment. Investigator [redacted] retrieved a ballistic shield and medical kit.

Detective Saavedra looked through the ajar door of Suspect Caldera's apartment. Detective Saavedra saw Suspect Caldera approached the door threshold and pointed the barrel of a black rifle in his direction. Suspect Caldera was approximately 35 feet from Detective Saavedra. Detective Saavedra feared Suspect Caldera was going to shoot him and fired approximately fifteen times at Suspect Caldera. From the same approximate position on the west side of the apartment complex, Deputy Magana also saw the barrel of the rifle appeared in the ajar apartment door. Deputy Magana feared the personnel in the breezeway were going to be shot, and he fired approximately five times at the area of the door in which he believed Suspect Caldera was positioned.

Lieutenant Auner broadcasted emergent radio traffic. Lieutenant Auner communicated deputies were pinned down and that cover fire would commence to extract them. The purpose of the cover fire was to prevent Suspect Caldera from firing as Deputy Nanquil and Investigator [redacted] changed positions. After communication with Lieutenant Auner, Sergeant Rincon designated Detective Saavedra as the person who would provide cover fire to avoid a contagious fire situation. Detective Saavedra aimed at the area above Suspect Caldera's front door, near the eaves, and fired approximately twenty to twenty-five times.

Deputy Nanquil and Investigator [redacted] did not reposition themselves during the cover fire gunshots. Following the cover fire gunshots, Investigator [redacted] left his position under Suspect Caldera's apartment and joined Lieutenant Auner near the parked blue vehicle. Deputy Nanquil left his position and joined Lieutenant Auner and Investigator [redacted] near the parked blue vehicle. Lieutenant Auner determined the position near the small blue vehicle was poor cover for them, as it was exposed to the front of Suspect Caldera's apartment door and windows.

Sergeant Rincon, Lieutenant Auner and personnel in the breezeway developed a plan which utilized a vehicle as cover to extract the personnel near the blue vehicle. A gray unmarked OSS vehicle driven by Detective Lopez approached Lieutenant Auner, Investigator [redacted] and Deputy Nanquil in the carport. LASD personnel with pointed

firearms walked alongside the gray vehicle as it approached to cover Detective Lopez as he drove the vehicle. The gray vehicle reversed with Lieutenant Auner, Investigator [redacted] and Deputy Nanquil as they utilized the vehicle as cover. The vehicle traveled south behind the west side of the apartment building, where the personnel would no longer be in the line of fire.

Suspects Caldera and Cabral held their hands out of the rear window and were detained at gunpoint by LADA investigators. LASD personnel in the breezeway area pointed firearms at Suspect Caldera's apartment while others evacuated adjacent apartments.

Suspects Caldera and Cabral surrendered. They held their hands up out of the rear window of the apartment until SEB personnel arrived. Suspects Caldera and Cabral were ordered out of the apartment by SEB personnel. A search of the apartment resulted in the discovery of a loaded white AR-15 type semiautomatic rifle with a black barrel and muzzle. A sizable quantity of methamphetamine, pills and cannabis were also recovered from within the apartment.

There were no reported injuries. Industry Station deputies secured the scene for evidence. OSS detectives collected evidence, spoke to civilian witnesses, interviewed LADA investigators, and completed a criminal investigation **[EXHIBIT A]**. Industry Station Lieutenant Petrocelli ensured the involved Department employees were transported to Industry Station with a supervisor.

INVOLVED LASD EMPLOYEES AND WORK HISTORY

Jose Nanquil, #[redacted] Deputy Sheriff
East Patrol Division – Industry Station
Work History

Date of Employment:	03/89
Date Assigned to Patrol/Industry Station:	[redacted]
Date Completed Patrol Training:	[redacted]
Prior Shooting Incident(s):	[redacted]

Equipment Worn on Person
Radio
2 Handcuff cases with handcuffs
Key ring with keys
BWC mount and BWC
Expandable baton
Leatherman tool
Gun belt with 3 ammunition magazines and Beretta 9 mm handgun

David Auner, #[redacted] Lieutenant
Detective Division – Operation Safe Streets Bureau

Work History
Date of Employment: 01/88
Date Assigned to Patrol/Century Station: [redacted]
Date Completed Patrol Training: [redacted]
Operation Safe Streets: 06/19
Prior Shooting incident(s): 2 (1997, 1998)

Equipment Worn on Person
Entry vest with pouches containing 1 ammunition magazine
Radio
Key holder with keys
2 Handcuff cases with handcuffs
Flashlight
First aid kit
Gun belt with 4 ammunition magazines and Springfield .45 caliber handgun

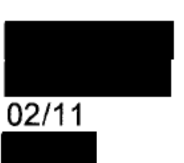

Ernest Magana, #[redacted] Deputy Sheriff
East Patrol Division – Industry Station

SUSPECT INFORMATION

Eddie Caldera

Male, Hispanic, DOB: November 12, 1999; 6'00" 130 pounds
[redacted]
FBI # [redacted] CII # [redacted] MAIN # [redacted] CDL # [redacted]

The Consolidated Criminal History Reporting System (CCHRS) revealed Suspect Caldera had [redacted]

Suspect Caldera's Consolidated Criminal History Report is included in **[MISCELLANEOUS DOCUMENTS, Suspect Caldera's Booking Information and Consolidated Criminal History Report, pages 9-18]**.

Raymond Cabral

Male, Hispanic, DOB: September 9, 1998; 5'11" 200 pounds
[redacted]
FBI # [redacted] CII # [redacted] MAIN # [redacted] CDL # [redacted]

The Consolidated Criminal History Reporting System (CCHRS) revealed Suspect Cabral had [redacted]

Suspect Cabral's Consolidated Criminal History Report is included in **[MISCELLANEOUS DOCUMENTS, Suspect Cabral's Booking Information and Consolidated Criminal History Report, pages 11-19]**.

LASD WITNESS PERSONNEL

Deputy (Detective) David Rodriguez
Sergeant Joaquin Rincon
Deputy (Detective) Steven Lopez
Deputy (Detective) Jesus Rubio
Deputy Christian Lopez Rivas
Deputy Bruno De Oliveira
Deputy Jason Haringsma

SUSPECTS' INJURIES

None.

INVOLVED EMPLOYEE INJURIES

None.

PHYSICAL EVIDENCE

All physical evidence located at the scene was identified and collected under the direction of OSS detectives **[EXHIBIT A, Crime Lab Reports, pages 7-9, 14-16, and 21-22]**. A gunshot residue (GSR) test kit was completed for each suspect and submitted to the LASD Scientific Services Bureau (SSB). The SSB had not completed the tests as of the completion of this investigation. Approximately 69 rounds were fired during the incident by the involved personnel. The crime lab recovered 68 cartridge cases, 7 fired bullets and 12 bullet fragments from the scene.

IAB Note: The Crime Lab Reports was a compiled Portable Document Format (PDF) document which contained duplicated page numbers. To provide page accuracy, all references in this investigation which refer to pages in the Crime Lab Reports will be the PDF digital page number, and not the number printed on the bottom page of the report.

INVESTIGATOR'S OBSERVATIONS

The apartment building was a two story, J-shaped building with a courtyard in the middle and large carport to the north that ran east to west. The complex had a driveway to the west, which lead to the interior courtyard and carports. The front pedestrian entrance to the south of the complex had a breezeway which also led to the inner courtyard. To the east of the complex was an adjacent long driveway with a two-stall carport at the northern end.

Each apartment within the building had a separate address. Suspect Caldera's apartment, [redacted] was on the second floor at the northeastern most end of

the building. Below Suspect Caldera's apartment was a two-stall carport. Suspect Caldera's apartment had an entrance door which faced west. The red wood door was covered by a black metal security screen. Two front windows on each side of the entrance door also faced west. The east side rear of the apartment had a small bathroom window, and a larger bedroom window which both faced east. The north wall of the suspect's apartment was windowless, and the south end of the suspect's apartment was attached to another apartment unit.

The scene was described in detail by Senior Criminalist Marco Iezza, #[redacted] and Forensic Identification Specialist (FIS) II Danielle Tiesma, #[redacted] **[EXHIBIT A, Crime Lab Reports pages 3-7 and 13-14]**. A diagram was completed by FIS II Laura Monzon, #[redacted] **[EXHIBIT A, Crime Lab Reports, pages 27-30]**. The crime scene was photographed by FIS Tiesma **[EXHIBIT A, Crime Lab Reports, pages 13-17]**. The involved personnel and associated firearms were photographed by FIS II Stephanie McMurphy, #[redacted] **[EXHIBIT A, Crime Lab Reports, pages 20-22]**.

IAB investigators noted the scene appeared consistent with the narration of the incident and scene documentation.

WEAPONS USED BY DEPUTY PERSONNEL

On May 13, 2021, IAB Sergeants Grubb and Serrano conducted a round count of each of the involved deputies' firearms. The round counts for each of the involved personnel were individually audio recorded and placed into a digital file **[EXHIBIT B, Audio, Round Count Audio]**.

Industry Station Deputy Nanquil's firearm was a Beretta black pistol, serial #BER[redacted] Deputy Nanquil carried the firearm with sixteen rounds, one round in the chamber and fifteen rounds in the magazine. The handgun contained fourteen rounds, one in the chamber, and thirteen rounds in the magazine, which indicated Deputy Nanquil fired two rounds.

OSS Lieutenant Auner's firearm was a Springfield Armory 1911 black pistol, serial [redacted] Lieutenant Auner carried the firearm with nine rounds, one round in the chamber and eight rounds in the first magazine. The first magazine was ejected during the incident and contained zero rounds. The second magazine carried eight rounds prior to the incident and was also ejected during a tactical reload. The second magazine contained four rounds. The firearm contained eight rounds, one in the chamber, and seven in the remaining magazine, which indicated Lieutenant Auner fired twelve rounds.

Industry Deputy Magana's firearm was a Colt M4 black rifle, serial #[redacted] Deputy Magana carried the firearm with twenty-eight rounds, one round in the chamber and twenty-seven rounds in the magazine. The magazine was extracted during a tactical reload and contained sixteen rounds, which indicated Deputy Magana fired twelve rounds.

OSS Detective Saavedra's firearm was a Smith & Wesson M&P 2.0 black pistol, serial [redacted] He carried the firearm with eighteen rounds, one round in the chamber and seventeen rounds in the magazine. The first magazine was ejected during the incident and contained zero rounds. The second magazine carried seventeen rounds prior to the incident and was also ejected during the incident. The second magazine contained zero rounds. The firearm contained seventeen rounds, one in the chamber, and sixteen in the remaining magazine, which indicated Detective Saavedra fired 35 rounds.

The involved personnel's' weapons were examined by Senior Criminalists Iezza, Tracy Peck, #[redacted] and April Whitehead, #[redacted] of the SSB Firearms Identification Section. They found all the firearms to be functional **[EXHIBIT A, Crime Lab Reports, pages 24-26].**

WEAPONS USED BY LADA INVESTIGATORS

On May 13, 2021, although not LASD personnel, IAB Sergeants Grubb and Serrano conducted a round count of each of the involved LADA investigators' firearms. The round counts for each were individually audio recorded and placed into a digital file **[EXHIBIT B, Audio, Round Count Audio]**.

Investigator [redacted] firearm was a Smith & Wesson M&P 2.0 black pistol, serial [redacted] He carried the firearm with eighteen rounds, one round in the chamber and seventeen rounds in the magazine. The magazine was extracted during a tactical reload and contained fifteen rounds, which indicated Investigator [redacted] fired three rounds.

Investigator [redacted] firearm was a Smith & Wesson M&P 2.0 black pistol, serial [redacted] He carried the firearm with sixteen rounds, one round in the chamber and fifteen rounds in the magazine. The firearm contained thirteen rounds, one in the chamber, and twelve in the magazine, which indicated Investigator [redacted] fired three rounds.

Investigator [redacted] firearm was a Staccato C2 black pistol, serial #[redacted] He carried his firearm with seventeen rounds, one round in the chamber and sixteen rounds in the magazine. The firearm contained fifteen rounds, one in the chamber, and fourteen rounds in the magazine, which indicated Investigator [redacted] fired two rounds.

The LADA investigator's weapons were also examined by Senior Criminalists Iezza, Peck, and Whitehead, of the SSB Firearms Identification Section. They found all the firearms to be functional **[EXHIBIT A, Crime Lab Reports, pages 24-26]**.

WEAPON USED BY SUSPECT CALDERA

Suspect Caldera possessed an AR-15 type 223 /5.56 x 45 mm caliber rifle with no manufacturer markings nor serial number, loaded without a round in the chamber and

twelve live rounds in the magazine **[EXHIBIT A, Crime Lab Reports, page 8]**. The firearm was not tested for functionality.

WEAPON USED BY SUSPECT CABRAL

None.

IAB Note: A review of the evidence indicated Suspects Caldera and Cabral did not discharge a firearm during the incident.

PROPERTY DAMAGE

The damage at the location was documented with photographs **[EXHIBIT B, Photos, Scene Photos]**. The damage consisted of bullet impact strikes to the exterior of the Suspect Caldera's apartment walls, fascia, railings, doors, and windows which surrounded the apartment. The damage also consisted of bullet damage to the interior of Suspect Caldera's apartment, and front door damage related to the use of the ram tool. The damage was limited to Suspect Caldera's apartment and curtilage, no damage to any other apartment unit in the complex was documented.

CRIMINAL INVESTIGATION/CHARGES FILED

The criminal investigation into the shooting was handled by OSS Detectives Millan and Orellana. On January 27, 2022, the LADA charged Suspect Caldera with Assault with a Deadly Weapon on a Peace Officer with an Assault Weapon, 245(D)(3) PC, Felon in Possession of a Firearm, 29800(A) (1 PC), Felon in Possession of Ammunition 30305(A)(1) PC, Possession of an Assault Weapon, 30605(A) PC and Possession of Methamphetamine for Sale11378 HS case # KA127560.

The criminal charges against Suspect Cabral were dismissed. The Superior Court of California, County of Los Angeles minute order **[MISCELLANEOUS DOCUMENTS]** dated March 9, 2022, indicated Suspect Caldera plead Nolo Contendere to two counts of Assault with a Deadly Weapon on a Peace Officer with an Assault Weapon, 245(D)(3) PC, and sentenced to twelve years in state prison.

LIGHTING AND WEATHER CONDITIONS

The incident began at approximately 6:18 PM during daylight hours and transitioned into the hours of dusk. The weather was clear and mild, and not a factor.

SEARCH WARRANT AUDIO RECORDING

During the approach to Suspect Caldera's apartment, Sergeant Rincon activated an audio recorder to document the service of the search warrant. At the beginning of the recording, Sergeant Rincon stated the recording began at 6:18 PM as he arrived at the

[redacted] address. The audio recording was placed onto a digital subfolder **[EXHIBIT B, Audio, Search Warrant Audio]** within the flash drive **[EXHIBIT B – Media]**. The following are approximate chronologically summarized timeline excerpts from the Search Warrant Audio Recording, based on the introductory 6:18 PM start time of the recording:

Approx. Actual Time (PM)	**Audio Mark**	**Description**
6:18	00:01	Sergeant Rincon narrated introduction, including date and time.
6:19	01:31	Knock and notice notifications began.
6:20	02:01	Apparent volley of gunshots heard on audio
6:20	02:04	Apparent single gunshot heard on audio
6:20	02:16	Team fled stairwell and assessed each other for potential injuries
6:21	03:21	Apparent volley of gunshots heard on audio
6:22	04:04	Apparent volley of gunshots heard on audio
6:22	04:21	Apparent single gunshot heard on audio
6:22	04:34	Apparent three gunshots heard on audio
6:22	04:37	Apparent three gunshots heard on audio
6:23	05:06	Apparent volley of gunshots heard on audio
6:24	06:25	Discussion of suspects with their hands held out of rear window.
6:27	09:13	Radio traffic described ongoing rescue operation with cover vehicle.
6:41	23:37	Radio traffic described first SEB team member had arrived.

RADIO TRAFFIC

The initial search warrant radio frequency assigned to personnel at the [redacted] address was a tactical frequency, INV/Safe streets 1 zone 89 freq. 8. The frequency

was not recorded. As the incident escalated, Department personnel utilized Sheriff's Communication Center (SCC) Dispatch Channel 8. IAB investigators reviewed available radio traffic (Dispatch Channel 8, L-Tac 4, and A-Tac 3) which were included in the investigation **[EXHIBIT D – Radio Traffic]**. Dispatch Channel 8 provided information significant to the scope of this investigation and a timeline was created. The following are approximate chronologically summarized excerpts from the compiled radio traffic on Dispatch 8 **[EXHIBIT D - Radio Traffic]:**

Radio Traffic - Dispatch 8

Audio File #	Actual Time (PM)	Audio Mark	Description
1	6:20	04:25	Emergent assistance radio traffic regarding deputies being fired upon during search warrant. Lieutenant Auner advised suspect had a long rifle.
1	6:21	05:08	SEB and Canine requested to respond to the location.
1	6:22	05:43	Aero Bureau requested; SCC stated they were unavailable. Apparent gunshots heard on audio. Deputy stated personnel, "Were taking more rounds."
1	6:22	06:14	Deputy Nanquil stated personnel were, "Taking rounds" from the north side of building.
1	6:22	06:29	Aero Bureau, Air 45, requested address of incident location. Apparent gunshots heard on audio.
1	6:23	06:53	Apparent gunshots heard on audio. Deputy Nanquil stated gunshots were being fired through the wall.
1	6:23	07:08	Lieutenant Auner stated two deputies were pinned down and were going to be extracted, and he needed cover fire to get them out.
1	6:23	07:49	Air 45 requested spelling of street name of the location.

1	6:24	08:25	SCC phonetically spelled street name for SEB.
1	6:24	08:52	Lieutenant Auner described plan to change position.
1	6:25	10:00	Aero Bureau unit arrived.
1	6:26	11:39	Lieutenant Auner described extraction was about to take place with the cover vehicle.
1	6:28	13:37	Lieutenant Auner stated the extraction began.
1	6:34	16:30	Aero Bureau described deputy personnel on west side of complex and in breezeway area.
1	7:00	34:07	Incident switched over to radio frequency A-tac 3.

SURVEILLANCE / BODY-WORN CAMERA / CELL PHONE FOOTAGE

IAB investigators reviewed surveillance, BWC and cellular phone video footage. The videos were placed on a flash drive **[EXHIBIT B - Media, Videos]**.

SURVEILLANCE FOOTAGE

The initial portion of the incident was captured by a surveillance "Ring" camera video. The video was posted to social media following the incident and was obtained by OSS detectives. The video was placed into a digital subfolder **[Exhibit B - Media, Videos, Surveillance Video]** within the flash drive **[EXHIBIT B]**.

The timestamped video appeared to be recorded from a camera along the western wall of the apartment building to the east of Suspect Caldera's apartment building. The camera appeared to be pointed west and depicted a partial view of the rear of Suspect Caldera's apartment. The video depicted Investigators [redacted] and [redacted] as they walked north on the driveway to the rear of Suspect Caldera's apartment. The video also appeared to depict a rifle pointed out of the apartment window **[Exhibit B - Videos, Surveillance Video, 00:39 video mark]**, and Investigator [redacted] as he fired his handgun toward the direction of the rifle and Suspect Caldera's upstairs rear window **[Exhibit B - Videos, Surveillance Video, 00:39 video mark and 00:43 video mark]**.

BODY-WORN CAMERA FOOTAGE

Portions of this incident were captured on multiple BWC. After a review of the photos, reports, and BWC footage, IAB investigators identified three BWC videos which provided information significant to the scope of this investigation. The videos were placed on a digital subfolder **[EXHIBIT B - Videos, BWC Videos 1-3]** within a flash drive **[EXHIBIT B]**. The videos were numbered 1-3 and included the name of the LASD personnel equipped with the camera.

Video - Deputy Name	Actual Time (PM)	Video Mark	Description
1 - Nanquil (no audio)	6:21	00:53	Debris appeared at rear of apartment; Deputy Nanquil discharged his firearm.
1 - Nanquil	6:22	01:05	Deputy Nanquil transmitted "998" (deputy involved shooting) radio traffic.
1 - Nanquil	6:22	01:30	Deputy Nanquil transmitted radio traffic that deputies were being fired upon.
1 - Nanquil	6:22	01:39	Apparent volley of gunfire; Investigator Molina moved to carport underneath Suspect Caldera's apartment.
1 - Nanquil	6:22	01:50	Apparent gunshot heard
1 - Nanquil	6:22	01:54	Apparent gunshot heard
1 - Nanquil	6:23	02:05	Apparent volley of gunfire while Deputy Nanquil transmitted radio traffic indicating suspects had shot through walls.
1 - Nanquil	6:23	02:25	Lieutenant Auner heard on radio traffic stating he had two deputies "pinned down" and he needed cover fire to get them out.
1 - Nanquil	6:23	02:39	Apparent volley of gunfire
2 - De Oliveira	6:24	00:07	Investigator [redacted] equipped with shield, joined Lieutenant Auner.

1 - Nanquil	6:24	03:20	Deputy Nanquil repositioned himself next to Lieutenant Auner and Investigator [redacted]
2 - De Oliveira	6:25	01:01	Sergeant Rincon advised Lieutenant Auner the suspects had their hands up.
3 - Lopez Rivas	6:27	03:21	Gray OSS vehicle approached carport.
1 - Nanquil	6:27	06:36	Gray OSS vehicle (in reflection) approached carport.
1 – Nanquil	6:30	09:24	Deputy Nanquil repositioned himself behind the gray OSS vehicle.
3 – Lopez Rivas	6:30	06:22	Gray OSS vehicle reversed from carport.
1 – Nanquil	6:30	09:38	Gray OSS vehicle reversed with personnel positioned near the driver's side.
3 - Lopez Rivas	6:32	08:10	Deputies evacuated apartment residents.
3 - Lopez Rivas	7:01	37:40	Deputy Lopez Rivas relieved of his position by SEB personnel.

CELLULAR PHONE FOOTAGE

OSS detectives canvassed the neighboring residences for witnesses. Mr. [redacted] was interviewed **[EXHIBIT A, Reports, OSS Investigation, Witness Canvassing Supplementals, page 5]** at a residence [redacted] of Suspect Caldera's apartment building, [redacted] Mr. [redacted] saw gunshots strike Suspect Cabral's apartment and recorded portions of the incident on a series of thirteen cellular phone videos. The cellular phone videos appeared to depict a southwest view of the front door of Suspect Caldera's apartment. The original videos contained metadata which approximated the date and time they were recorded.

> **IAB Note: According to Haivision.com, "Metadata can either be embedded directly into the video or included as a separate file..." and can "include timestamps, video resolution, file size, closed captioning, audio languages, ad-insertion points, color spaces, error messages, and much more."**

The video files were numbered 1 – 13 in approximate chronological order and placed on a digital subfolder **[EXHIBIT B – Videos, Cellular Phone Videos]** within a flash drive **[EXHIBIT B]**.

After a review of the videos, IAB investigators identified three videos (Videos 2, 3, and 13) which provided information significant to the scope of this investigation.

- Video 2 appeared to depict gunfire strike near Suspect Caldera's apartment entrance **[Exhibit B - Videos, Cellular Phone Video 2, 00:01 video mark]** at approximately 6:22 PM.

- Video 3 appeared to depict gunfire strike near Suspect Caldera's apartment entrance **[Exhibit B - Videos, Cellular Phone Video 3, 00:04 video mark]** at approximately 6:23 PM.

- Video 13 depicted Suspect Caldera exit the apartment and surrender to SEB personnel **[Exhibit B - Videos, Cellular Phone Video 13, 00:01 video mark]** at approximately 7:18 PM.

OSS detectives interviewed Ms. [redacted] **[EXHIBIT A, Reports, OSS Investigation, Witness Canvassing Supplementals, page 6]** at a residence [redacted] of Suspect Caldera's apartment building, [redacted] Ms. [redacted] heard gunshots and recorded a portion of the incident after the shooting on a cellular phone video. The cellular phone video appeared to depict a southwest view of the location.

Ms. [redacted] video file was numbered 14 and placed on a digital subfolder **[EXHIBIT B - Videos, Cellular Phone Videos, Video 14]** within a flash drive **[EXHIBIT B]**. The video depicted deputies positioned with their firearms pointed at Suspect Caldera's apartment.

STATEMENTS

The following interviews were recorded and transcribed. For more information and precise wording, see the attached verbatim interview transcriptions. The following narrative contains summaries of each interview.

INVOLVED LASD PERSONNEL

Deputy Jose Nanquil

On May 27, 2021, Deputy Nanquil was interviewed by IAB Sergeants Benjamin Grubb and Brian Godwin. During the IAB interview, Deputy Nanquil was represented by Attorney Maureen Okwuosa from the law firm of Rains Lucia Stern St. Phalle & Silver.

On May 13, 2021, Deputy Nanquil was assigned to Industry Station, as the team leader for the city of Industry Special Assignment Officers Team (SAO). The Industry Station SAO Team shared office space with the OSS team within the OSS Trailer.

Deputy Nanquil agreed to assist the OSS team as they prepared to serve a search warrant at the [redacted] residence. At approximately 6:00 PM, Deputy Nanquil attended a briefing by OSS detectives at the OSS trailer, where he was provided search warrant operations plans and mission objectives of the search warrant. Deputy Nanquil had familiarity with the apartment complex, and in his experience, suspects had used the northern wall of the complex to escape into the adjacent riverbed. He was assigned as a fixed containment position north of the apartment complex to monitor the northern wall.

Deputy Nanquil arrived at the [redacted] address and positioned himself north of the suspect's (Suspect Caldera) apartment and watched the entry team approach the suspect's door. Two LADA investigators were positioned to Deputy Nanquil's east, and Lieutenant Auner was positioned to his west.

IAB Note: Deputy Nanquil did not know the names of the LADA investigators. After a review of the BWC videos and other witness statements, the LADA investigators mentioned by Deputy Nanquil below were identified as Investigators [redacted] and [redacted] and were referred to as such in the below summary.

The entry team made their announcement and began to breech the door. Deputy Nanquil heard approximately three to five gunshots and saw Investigators [redacted] and [redacted] discharged their firearms. Investigator [redacted] told Deputy Nanquil the suspect had a rifle. Deputy Nanquil looked south and saw Investigator [redacted] with his firearm pointed upward toward the suspect's apartment. Deputy Nanquil thought the LADA Investigators had engaged in simultaneous reciprocal gunfire with the suspect.

Deputy Nanquil went to the northeast corner of the apartment building and looked at the suspect's rear apartment window and realized he was in a bad position on the north side of the building. The suspect's rear window was a threat, so he could not go east. The suspect's front door was a threat, so he could not go west. "You know, if I can see him, you know, him or her, maybe they can see me. So, I took, I took myself away from that view, and I stayed behind that wall because I believe that's the best place where I can be at" **(Deputy Nanquil's transcript, page 23)**. He stood approximately twenty-five feet from the north side of the suspect's apartment, with his firearm drawn, and activated his BWC.

Deputy Nanquil heard at least two gunshots which came from the north wall of the suspect's apartment and saw stucco material from the wall ejected. Deputy Nanquil determined the suspect was shooting at him through the wall with a rifle, and the rounds were coming through the wall at him. Deputy Nanquil feared he was "... actually being shot at, that the likelihood of me getting hit is very high" **(Deputy Nanquil's transcript, page 29)**. He aimed his firearm at the area where the stucco material had come off the wall, approximately 25 feet away. He fired two consecutive shots at the suspect to stop

the threat and to keep himself from being shot. Deputy Nanquil thought if he did not discharge his firearm, he would be shot.

> **IAB Note: During the interview, Deputy Nanquil was read the video advisement. He viewed his BWC footage [EXHIBIT B, BWC Videos, Video 1] to facilitate recollection of the incident. Deputy Nanquil stated the video depicted the stucco ejected from the wall as described above and appeared as a cloud of dust on the video [EXHIBIT B, BWC Videos, Video 3, video mark 00:45]. He also viewed and initialed the three reference photos [EXHIBIT C].**

Deputy Nanquil retreated to his east near a carport with Investigator [redacted] He broadcasted a deputy involved shooting had occurred over the radio, and that the suspect fired at deputies through the wall with a rifle.

Deputy Nanquil looked southwest and saw Lieutenant Auner discharge his firearm toward the front of the suspect's apartment. He could not provide further details because he heard a "barrage" of gunfire and ducked his head. Deputy Nanquil did not consider the location alongside Investigator [redacted] to be safe because they were exposed to the suspect's apartment's rear window, and he had been fired upon from the north wall. The barrage of gunfire stopped. Lieutenant Auner broadcasted radio traffic that two deputies were "pinned down" and requested cover fire. Deputy Nanquil knew he was the "pinned down" deputy to which Lieutenant Auner referred. He ran toward Lieutenant Auner and yelled "cover fire," to notify others he was moving but no gunfire was heard. Deputy Nanquil took cover behind the vehicle next to Lieutenant Auner and Investigator [redacted]

Detective Lopez drove an unmarked police vehicle to their position in the carport, and Investigator [redacted] Lieutenant Auner and Deputy Nanquil used the vehicle as cover. The vehicle was reversed to the west side of the apartment building to safety.

Deputy Nanquil stated that over the past thirty-three years, he had attended LASD training in the academy and for continual professional training (CPT) where he was instructed to shoot through a wall at a suspect who was shooting at him. Other than described above, Deputy Nanquil did not see any other gunfire discharged from any other personnel.

Lieutenant David Auner

On June 8, 2021, Lieutenant Auner was interviewed by IAB Sergeants Benjamin Grubb and Brian Godwin. During the IAB interview, Lieutenant Auner was represented by Attorney Elizabeth Gibbons from The Gibbons Firm.

> **IAB Note: During the interview, Lieutenant Auner viewed and initialed reference photos [EXHIBIT C] of the location,**

which were utilized to facilitate his recollection of the incident.

On May 13, 2021, Lieutenant Auner was an East Zone Lieutenant responsible for Industry Station OSS amongst other responsibilities. He was the incident commander of the search warrant operations on [redacted] and [redacted] on May 13, 2021. Suspect Caldera was wanted for methamphetamine sales and possession of a pistol. Lieutenant Auner assessed the risk for the search warrant service on Suspect Caldera, whose criminal history [redacted] After a review of the search warrant checklist, it did not meet the requirements of consultation with a special weapons team. Lieutenant Auner reviewed and approved the search warrant checklist and operations plans for the search warrant on [redacted] for Suspect Caldera. The OSS detectives went to the [redacted] address and were unable to locate Suspect Caldera.

The OSS detectives received information from Detective Rodriguez' [redacted] that Suspect Caldera and another male were at the [redacted] address. Lieutenant Auner reviewed and approved the search warrant checklist and operations plans for the search warrant on [redacted] Street. An addendum for the new search warrant location on [redacted] Street was created and signed by Judge Nur. The LADA investigators responded to the [redacted] address to conduct surveillance. The LADA investigators kept contact with the OSS team through cellular phone communication.

The OSS team arrived at the [redacted] address at approximately 6:15 PM. The entry team approached the stairwell, as Lieutenant Auner checked a parked blue vehicle for occupants which could pose a potential officer safety risk. He positioned himself behind the small blue vehicle under the carport north of the complex and supervised the entry team as they approached the suspect's door.

Lieutenant Auner heard three or four gunshots as the entry team hit the interior door with the ram tool. Lieutenant Auner described the initial gunfire as muffled, and thought it came from inside the suspect's apartment. He looked to his east and saw Deputy Nanquil and Investigator [redacted] ..frantically moving around trying to find some cover" **(Lieutenant Auner's IAB transcript, page 29)** with their firearms pointed upward toward the rear of the suspect's apartment. Lieutenant Auner saw casings ejected from Investigator [redacted] firearm and heard three or four shots come from the area of Investigator [redacted] and Deputy Nanquil. Lieutenant Auner determined they were engaged in gunfire with some threat at the rear of the suspect's apartment. Lieutenant Auner heard someone yell or state over the radio the suspect had a long rifle. Lieutenant Auner's attention was divided, as he continually changed his field of view as he looked at the entry team to his right, and Deputy Nanquil and Investigator [redacted] to his left. The entry team descended the stairwell that led to the suspect's apartment.

Lieutenant Auner pointed his firearm up toward the suspect's apartment window. He saw the muzzle of a rifle protrude from the otherwise closed blinds. He did not see the suspect who held the rifle, because the blinds were closed. Lieutenant Auner saw the

rifle pointed at the retreating entry team and feared "...that one of these guys were gonna get killed by the suspect" **(Lieutenant Auner's IAB transcript, page 44)**. From approximately 20 feet away, Lieutenant Auner aimed at the window above the area where he believed the suspect's chest would be and fired approximately five or six shots. The window shattered. Seconds later, he saw that the same rifle muzzle was now pointed in his direction and feared he was going to be shot and killed. He again fired another five or six shots at the window toward where he believed the suspect was hidden behind the blinds.

During or just after the second volley of gunfire fired by Lieutenant Auner, he heard Deputies Saavedra and Magana fired at the door of the suspect's apartment. The muzzle of the rifle disappeared from the window. At some point during his firearm discharge, Lieutenant Auner used an entire magazine and reloaded his firearm with a different magazine.

Less than a minute later, Lieutenant Auner saw Investigator [redacted] and Deputy Nanquil engaged in gunfire at the rear of the suspect's apartment. Deputy Nanquil and Investigator [redacted] told Lieutenant Auner they needed cover, and Lieutenant Auner told them to come to his location. Lieutenant Auner and Sergeant Rincon discussed providing cover fire to get Investigator [redacted] and Deputy Nanquil over to Lieutenant Auner's location. Sergeant Rincon designated Detective Saavedra as the only deputy who would provide cover fire to avoid contagious fire. Detective Saavedra shot cover fire toward the eaves of the suspect's apartment, as Investigator [redacted] ran to his parked vehicle underneath the suspect's apartment. Deputy Nanquil remained in a position by the trashcans to Lieutenant Auner's east. Investigator [redacted] retrieved a medical kit and a ballistic shield from his vehicle and joined Lieutenant Auner near the blue vehicle. Deputy Nanquil yelled cover fire and went west to join Lieutenant Auner and Investigator [redacted] Lieutenant Auner directed Detective Saavedra not to fire additional cover fire as Deputy Nanquil approached.

Lieutenant Auner directed the OSS team in the breezeway to bring a vehicle over to his position to extract them out of the courtyard. Lieutenant Auner wanted a fresh magazine before the extraction began so he would have the maximum number of rounds available if necessary. He extracted the magazine in his firearm, discarded it, and replaced it with a new fully loaded magazine. A titanium gray unmarked OSS vehicle driven by Detective Lopez approached Lieutenant Auner, Investigator [redacted] and Deputy Nanquil. Deputies with pointed rifles walked alongside the gray vehicle as it approached to cover Detective Lopez as he drove the vehicle. The vehicle reversed slowly with Lieutenant Auner, Investigator [redacted] and Deputy Nanquil utilizing the vehicle as cover. The vehicle reversed south behind the west side of the apartment building, where deputies were no longer in the line of fire. The suspects held their hands out of the back apartment window and were detained at gunpoint as Lieutenant Auner made notifications to his supervisors. SEB arrived and removed the suspects from the apartment.

Deputy Ernest Magana
On May 27, 2021, Deputy Magana was interviewed by IAB Sergeants Benjamin Grubb and Brian Godwin. During the IAB interview, Deputy Magana was represented by Attorney Maureen Okwuosa from the law firm of Rains Lucia Stern St. Phalle & Silver.

On May 13, 2021, Deputy Magana was assigned to the Industry Station – city of Industry SAO team. Deputy Magana was requested by Detective Rodriguez to assist OSS detectives in the service of a search warrant. He was briefed at the Industry Station OSS trailer regarding the suspect, the search warrant objectives and tactical plan. Deputy Magana was tasked with the detention of the suspect after he exited the location, and the placement of the suspect into a police vehicle. He was also responsible for emergent radio traffic broadcasts if necessary.

IAB Note: During the interview, Deputy Magana viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.

Deputy Magana arrived at the apartment complex on [redacted] and stood at the bottom of the stairs behind the OSS entry team as they conducted the knock and notice. Detective Rodriguez struck the interior door three times with the ram. The suspect's door had been partially separated from the doorframe approximately one foot, which allowed Deputy Magana to see through the gap into the suspect's apartment. Deputy Magana heard a volley of approximately five to ten gunshots from inside the suspect's apartment, and he thought the suspect was shooting at the entry team.

The entry team and Deputy Magana fled the stairwell and went to the breezeway area. Deputy Magana heard radio traffic from Deputy Nanquil which described the suspect had a long rifle. Deputy Magana went into the front yard area of the apartment complex and broadcasted emergent radio traffic and stated deputies were being fired upon. As he was in the front yard area, Deputy Magana heard additional gunshots. He ran to his patrol vehicle parked near the west driveway and retrieved an M4 rifle. He positioned himself on the northwestern corner of the apartment building and looked east. Deputy Magana's view included the front door and the northern window of the suspect's apartment, which were approximately fifty feet away. Lieutenant Auner stood near a blue vehicle in the northern vehicle carport. Deputy Magana saw the black barrel of a rifle protrude through the blinds on the northern window of the suspect's apartment. He could not see the suspect through the blinds.

The barrel pointed north toward Lieutenant Auner. Deputy Magana saw Lieutenant Auner fire at the window. Deputy Magana thought Lieutenant Auner and the suspect were engaged in reciprocal gunfire. Deputy Magana determined Lieutenant Auner was in a position of disadvantage because the suspect had the advantage of firing from a higher ground. He determined Lieutenant Auner's "...life was at stake and he's basically in a gunfight for his life and, you know, there is a possibility of him getting killed" **(Deputy Magana's transcript, page 18)**. Based on the direction of the rifle's barrel, Deputy Magana believed the suspect was to the right of the window, behind the

front door area of the apartment. As the barrel of the rifle disappeared behind the blinds, Deputy Magana feared the suspect would continue to shoot at Lieutenant Auner through the blinds or through the wall. From approximately 50 feet away, Deputy Magana fired approximately five times at the position in which he believed the suspect was. Deputy Magana stated his rounds struck the security screen, which covered the front door of the apartment.

The screen door abruptly swung open outward, and Deputy Magana saw the inner door of the suspect's apartment. Between the gap of the lefthand side of the partially opened inner door, Deputy Magana saw the barrel of the black rifle emerge. The barrel was pointed south, in the direction of the breezeway where the entry team had gathered. Deputy Magana feared the suspect was going to shoot personnel gathered in the breezeway, and he fired approximately five times at the area in which he believed the suspect was positioned, from approximately 50 feet away. Deputy Magana stated his rounds struck the inner door of the suspect's apartment, and the rifle barrel disappeared into the apartment. Deputy Nanquil ran over to Lieutenant Auner. Detective Lopez drove an unmarked patrol vehicle to Deputy Magana's position so the vehicle could be used as cover to rescue the personnel in the carport. Deputy Magana did not see any other personnel discharge a firearm.

Deputy Eric Saavedra

On May 27, 2021, Detective Saavedra was interviewed by IAB Sergeants Benjamin Grubb and Brian Godwin. During the IAB interview, Detective Saavedra was represented by Attorney Maureen Okwuosa from the law firm of Rains Lucia Stern St. Phalle & Silver.

IAB Note: During the interview, Detective Saavedra viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.

On May 13, 2021, Detective Saavedra was a detective assigned to OSS. Detective Saavedra attended a briefing at the Industry Station OSS trailer where the pending search warrant on Suspect Caldera, at the [redacted] address, was discussed. The briefing included a review of the suspect's criminal history, the warrant service checklist and operations plan. The briefing included information the suspect possessed methamphetamine and a handgun at the location. The purpose of the warrant was to detain and arrest Suspect Caldera, and the other adult male Hispanic who was known to occupy the location (Suspect Cabral). Deputies did not know there was a high-powered rifle at the location. The LADA investigators were not at the briefing and were already at the [redacted] address to conduct surveillance. Detective Rodriguez briefed the LADA investigators over the telephone.

Detective Saavedra and OSS team traveled to [redacted] Deputies Saavedra, Lieutenant Auner, Sergeant Rincon and Deputies Rubio, Lopez, Rodriguez,

De Olivera, Nanquil, Haringsma and a LADA investigator walked up the west driveway toward the suspect's apartment. The LADA investigator escorted the LASD personnel to point out the suspect's apartment.

The OSS entry team ascended the stairway to the suspect's apartment. Detective Saavedra was assigned as "pick" tool responsibilities within the entry team. The entry announcement was made, and the team waited seconds for the occupants to open the door. The occupants did not open the door. Sergeant Rincon audio recorded the knock and notice announcements. Detective Saavedra set the pick and pried open the security screen. Detective Rodriguez approached and struck the door twice with the ram tool. The door held and was still closed when Detective Saavedra heard a rapid succession of gunfire, approximately six shots, come from inside the apartment. Detective Saavedra feared they "...were gonna get shot, and we were gonna die if we didn't get out of there" **(Detective Saavedra's IAB transcript, page 17)**.

Detective Saavedra and the OSS entry team fled down the stairs into the breezeway south of the stairwell. Detective Saavedra heard radio traffic from Deputy Magana. The personnel in the breezeway area included Deputies Haringsma, De Oliveira, Lopez, Rubio, Lopez-Rivas, and Sergeant Rincon. Detective Saavedra heard a second volley of gunfire. The volley was a rapid succession of approximately five shots of rapid gunfire which came from within the apartment.

Lieutenant Auner was ducked down behind a compact vehicle approximately forty yards north of Detective Saavedra. Lieutenant Auner yelled to Detective Saavedra that Deputy Nanquil and Investigator [redacted] were pinned down on the north side of the apartment complex. Deputy Nanquil transmitted radio traffic he was pinned down. Lieutenant Auner and Detective Saavedra discussed the creation of cover fire so Deputy Nanquil and Investigator [redacted] could change their position.

Lieutenant Auner fired several shots toward the front door and window area of the suspect's apartment. The suspect's apartment wooden door was ajar approximately a foot, and Detective Saavedra watched the opening. He also saw bullet holes in the front window to the left of the suspect's apartment. Approximately one second after Lieutenant Auner had fired, Detective Saavedra looked through the gap to the door of the suspect's apartment. He saw the suspect approach the door's threshold and point the barrel of a black rifle in his direction. The suspect was approximately seventy-five feet from Detective Saavedra. Detective Saavedra thought the suspect was going to shoot him and he feared the suspect "...would kill one of us or maybe kill an innocent bystander from a neighboring apartment" **(Detective Saavedra's IAB transcript, page 29)**. From his position seventy-five feet away, Detective Saavedra fired approximately fifteen times at the suspect in quick succession. He fired fifteen times because he still saw the suspect in the doorway and was not sure "...if the threat was stopped yet **(Detective Saavedra's IAB transcript, page 30)**. His backdrop was the interior of the suspect's apartment. Detective Saavedra reassessed after he fired the fifteen shots and saw the suspect had disappeared from his view. He reloaded his firearm and heard Deputy Nanquil on the radio state that he was being fired upon.

Detective Saavedra yelled to Lieutenant Auner they needed to get Deputy Nanquil and Investigator [redacted] away from where they were positioned. Deputy Nanquil yelled "cover fire." From seventy-five feet away, Detective Saavedra fired at the eaves of the apartment. He discharged approximately twenty to twenty-five rounds of cover fire. Detective Saavedra did not know where his rounds struck. His intention was "...to get the suspect inside with the rifle to maybe take some cover and stop shooting at us and to safely get Joe Nanquil and the DA investigator over to Lieutenant Auner and then all three of them out of the problem altogether" **(Detective Saavedra's IAB transcript, page 35)**.

Detective Saavedra believed Lieutenant Auner also discharged his firearm during the cover fire. Detective Saavedra explained he had attended training with SEB which instructed personnel to alternate fire and aim for the eaves during cover fire because it was the safest place to shoot in a cover fire situation.

Deputy Nanquil and Investigator [redacted] moved over to Lieutenant Auner. Radio traffic indicated the two suspects held their hands out of the rear window. Detective Lopez drove a vehicle up to Lieutenant Auner's position, and Lieutenant Auner, Deputy Nanquil and Investigator [redacted] used the vehicle as cover to get behind the western edge of the apartment building to safety.

Detective Saavedra maintained his position for approximately ten to fifteen additional minutes until SEB arrived and took his position. Suspect Caldera was later escorted out of the location in handcuffs, and Detective Saavedra recognized him as the suspect that pointed the rifle at him through the doorway.

WITNESS LASD PERSONNEL

Deputy David Rodriguez

On February 14, 2022, Detective Rodriguez was interviewed by IAB Sergeant Benjamin Grubb.

IAB Note: During the interview, Detective Rodriguez viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.

On May 13, 2021, Detective Rodriguez was assigned to OSS. Detective Rodriguez received information from a CRI that Suspect Caldera was a gang member who possessed narcotics for sale and was in possession of a pistol. He gathered information on Suspect Caldera and organized the search warrant operation. Detective Rodriguez authored the operations plans, search warrant documents and search warrant operations checklist. Prior to the service of the search warrant, Detective Rodriguez held a briefing at Industry Station. He disseminated the information to OSS detectives, Industry Station deputies and LADA Investigators.

OSS, Industry Station deputies, and LADA personnel went to the [redacted] address, with the intention of serving the search warrant at that location. While at the location, Detective Rodriguez received information the suspect was at the [redacted] address. He directed Investigator [redacted] to have his team monitor the location as Detective Rodriguez completed the addendum to the search warrant documents which reflected the new address on [redacted] Street.

Detective Rodriguez and the OSS team responded to the [redacted] address. Detective Rodriguez approached the door to the suspect's apartment with the ram tool. The knock and notice announcement were given, and Deputies Saavedra and Rodriguez used the pick and ram tools to open the screen door. Detective Rodriguez struck the interior wooden door approximately two or three times with the ram tool, when he heard approximately five to seven gunshots.

Detective Rodriguez thought the gunshots had come from within the apartment, and that he and the OSS team were being fired upon. He dropped the ram tool and ran down the stairs with the other OSS team members. They gathered in the breezeway area of the apartment complex. As they retreated or when they first gathered in the breezeway, Detective Rodriguez heard another volley of approximately ten shots. Deputies Magana and Rodriguez went to the apartment complex entrance to the south of the breezeway. Deputy Magana broadcasted emergency radio traffic. Detective Rodriguez saw the LADA investigators near the southeast corner of the apartment complex and ensured they were uninjured.

Detective Rodriguez returned to the threshold of the breezeway. Detective Rodriguez heard additional gunshots, but he did not see anyone discharge a firearm. Sergeant Rincon and Detective Saavedra were in the breezeway as they communicated with Lieutenant Auner. Detective Rodriguez heard radio traffic which described cover fire for Lieutenant Auner. There was an effort underway to bring a vehicle to Lieutenant Auner to extract him from his position. Detective Rodriguez managed the arrival and assignment of Industry Station deputies who had responded to the [redacted] apartment entrance and did not see the extraction activity of Lieutenant Auner.

Detective Rodriguez heard the LADA investigators made commands to someone at the rear of the suspect's apartment. Detective Rodriguez looked in the direction of the suspect's rear window and saw two males with their hands up through the rear window. Detective Rodriguez broadcasted to the other team members his observations of the suspects with their hands up. The suspects remained in that position as Detective Rodriguez and others conducted the evacuation of adjacent apartment residents.

SEB arrived approximately fifteen to twenty minutes later. They took responsibility of extricating the suspects from the apartment. SEB detained the suspects and escorted them out of the apartment complex.

Sergeant Joaquin Rincon

On February 8, 2022, Sergeant Rincon was interviewed by IAB Sergeant Benjamin Grubb.

> IAB Note: **During the interview, Sergeant Rincon viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.**

On May 13, 2021, Sergeant Rincon was assigned to OSS, as a supervisor for the entry team. Sergeant Rincon attended a briefing led by Detective Rodriguez at the Industry Station OSS trailer. He reviewed the search warrant documents and operation plan for the pending search warrant of Suspect Caldera's residence. He responded to the [redacted] address with OSS team members. Sergeant Rincon and the entry team approached the suspect's apartment and escalated the stairwell. Sergeant Rincon audio recorded the service of the search warrant. Detective Lopez knocked on the suspect's apartment door and announced the presence of the LASD. The outer security screen was pried open with the pick and ram. Detective Rodriguez struck the interior wooden door with the ram.

The interior apartment door flung all the way open and then returned to a close. A rapid succession of gunfire was heard. Sergeant Rincon thought the shots came from within the apartment, and the gunfire was directed at Sergeant Rincon and the entry team. The team fled downstairs. As he descended the stairs, another rapid succession of gunshots was heard. Sergeant Rincon believed the sound of the gunshots came from within the apartment and appeared to be from different firearms. The team congregated near the breezeway entrance of the apartment complex. Sergeant Rincon checked the personnel with him to ensure no one was struck by gunfire. The suspect's apartment door was partially ajar. Detective Saavedra faced north toward the suspect's front door area.

Sergeant Rincon left the breezeway area, walked to the southeast corner of the apartment complex, and contacted the LADA investigators who had gathered. He checked with the LADA Investigators and ensured no one had been struck by gunfire. After he was satisfied, they were uninjured, he returned to the breezeway area. Detective Saavedra fired a sustained volley of shots toward the suspect's door. At approximately the same time, Lieutenant Auner also discharged his firearm toward the front of the suspect's apartment. Sergeant Rincon did not see where the rounds struck. He noticed a LADA investigator was now positioned with Lieutenant Auner near the blue vehicle. Sergeant Rincon and Lieutenant Auner discussed how to safely remove Lieutenant Auner and Investigator [redacted] from their "line of fire" position in the carport. Sergeant Rincon initiated a plan for Detective Lopez to drive an unmarked radio vehicle up to Lieutenant Auner's position in the carport. Detective Lopez began to drive the unmarked vehicle toward Lieutenant Auner's position in the carport, where Deputy Nanquil had now joined Lieutenant Auner and Investigator [redacted]

Detective Saavedra yelled, "Cover fire" and discharged his firearm several times. The unmarked vehicle arrived, but Sergeant Rincon could not provide further details. His attention was diverted as he managed LASD personnel who had arrived on scene. He assigned uniformed personnel containment positions, contacted canine and SEB via telephone, and initiated a command post.

The suspects held their hands out of the apartment's rear window and remained in place until the arrival of SEB.

Deputy Steven Lopez

On February 8, 2022, Detective Lopez was interviewed by IAB Sergeant Benjamin Grubb.

IAB Note: During the interview, Detective Lopez viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.

On May 13, 2021, Detective Lopez was assigned to OSS. He responded to the [redacted] address with the entry team and approached the suspect's apartment. His assignment for the operation was to conduct the knock and notice advisement. He knocked on the door and announced the presence of LASD personnel. He stated their purpose was to conduct a search warrant. Detective Lopez heard noises from within the apartment, which indicated there were occupants in the apartment; however, no one approached and opened the door. The screen door was pried open by entry team personnel, and Detective Rodriguez used the ram to strike the door.

Detective Lopez heard multiple gunshots which he believed came from within the apartment. He thought a suspect within the apartment had fired at the entry team. The entry team retreated down the stairs, except Detective Lopez. Detective Lopez ran southbound on the second-floor landing and went downstairs on another stairwell to the south. The team regrouped together in the breezeway, and Detective Lopez saw Lieutenant Auner positioned on the north side of the apartment complex. Lieutenant Auner was exposed to the suspect's apartment's front window, and he did not have sufficient cover. Detective Lopez said, "I was scared. I was scared for him" **(Deputy Lopez' IAB transcript, page 12)**.

From his position in the crowded breezeway, Detective Lopez heard someone designate Detective Saavedra to conduct cover fire. Detective Saavedra fired multiple rounds of gunfire toward the suspect's apartment. Lieutenant Auner also fired shots up toward the suspect's apartment. Detective Lopez did not know how many times, or if it happened before or after Detective Saavedra had fired. Detective Lopez could not provide further details to describe Detective Saavedra and Lieutenant Auner's gunfire. Detective Lopez also heard numerous other exchanges of gunfire throughout the incident but could not recall when within the sequence of events he heard them.

Detective Lopez heard someone ask him to get a vehicle and bring it around to Lieutenant Auner. Detective Lopez left the breezeway and went to his patrol vehicle parked in front of the apartment complex. He drove the vehicle over to Lieutenant Auner's position. LADA Investigator [redacted] and Deputy Nanquil stood near Lieutenant Auner in the carport.

IAB Note: During the interview, Detective Lopez misidentified Investigator [redacted] as Investigator [redacted] as the investigator extracted with Lieutenant Auner.

Detective Lopez was focused on the front of the suspect's apartment as he drove the vehicle into position because he was concerned the suspect would exit. As he positioned the vehicle near the western edge of the apartment complex, Deputy Magana told him he would cover Detective Lopez as he drove toward Lieutenant Auner. Detective Lopez reversed the vehicle behind the western side of the apartment complex as Lieutenant Auner, Investigator [redacted] and Deputy Nanquil walked along the driver side of the vehicle.

Later, SEB arrived and ordered the suspects out of the apartment.

Deputy Jesus Rubio

On February 8, 2022, Detective Rubio was interviewed by IAB Sergeant Benjamin Grubb.

IAB Note: During the interview, Detective Rubio viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.

On May 13, 2021, Detective Rubio was assigned to OSS. Detective Rubio responded to the [redacted] address and approached the suspect's apartment. His assignment for the operation was "number one" in the entry team lineup. Detective Rubio approached the suspect's apartment door first, in front of the rest of the team. He checked the suspect's front door metal security screen, which was locked. Detective Rubio stood to the left of the suspect's apartment door and watched the window south of the door. The entry team made the knock and notice announcements and began to breach the door. Detective Rubio heard approximately four gunshots, which he believed had come from within the apartment. He determined the deputies were being fired upon by the suspect from within the apartment. Detective Rubio and the entry team ran down the stairs and gathered in the breezeway.

There was confusion as the team conducted an assessment to ensure that no one was struck by gunfire. Deputy Magana broadcasted radio traffic a shooting had occurred. Detective Saavedra stated he was going to provide cover fire, and then approximately eight seconds later he, "...fired volleys of several bursts of rounds" **(Detective Rubio's IAB transcript, page 22)**. The rounds struck above the suspect's apartment door near

the overhang of the second-floor walkway. Detective Saavedra paused, and then fired additional rounds. Detective Rubio's hearing was diminished at this point because his ear rang from being close to Detective Saavedra's firearm. Detective Rubio did not see any other personnel discharge a firearm. Detective Lopez retrieved a patrol vehicle and drove it around the west side of the property to use the patrol vehicle as a shield to extract the personnel in the carport parking area.

Detective Rubio left the breezeway and met with assisting deputies who had responded in front of the apartment complex. He retrieved a ballistic shield from a deputy and rejoined the team in the breezeway. SEB arrived and relieved Detective Rubio of his position.

The suspects were subsequently escorted out of the apartment complex by SEB personnel.

Deputy Christian Lopez Rivas

On February 10, 2022, Deputy Lopez Rivas was interviewed by IAB Sergeant Benjamin Grubb.

> **IAB Note: During the interview, Deputy Lopez Rivas viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.**

On May 13, 2021, Deputy Lopez Rivas was assigned to the city of La Puente SAO team at Industry Station. He attended the briefing prior to the service of the search warrant for Suspect Caldera's residence. His assignment for the operation was to assist OSS as a "catcher" to detain and secure the suspect after the suspect was removed from the location by the entry team. He responded to the [redacted] address and approached the suspect's apartment door behind the OSS entry team. As the team breached the door, he heard five to ten gunshots in rapid succession come from within the suspect's apartment. Deputy Lopez Rivas thought the entry team was being fired upon by the suspect in the apartment. Deputy Lopez Rivas pointed his firearm up at the suspect's door as the entry team retreated down the stairs. The suspect's interior wooden door was slightly ajar six to eight inches. The team gathered in the breezeway as Deputy Magana broadcasted emergent radio traffic and requested assistance.

Deputy Lopez Rivas noticed Lieutenant Auner was positioned north of him in the carport behind a blue vehicle. Lieutenant Auner had, "...very limited options as to where to go. Because the moment he moves out from behind that vehicle, he's directly exposed to the window and the door of the apartment where the shots were coming from" **(Deputy Lopez Rivas' transcript, page 19)**. Lieutenant Auner and Sergeant Rincon formulated a plan to bring a vehicle around to the carport and use it as cover to extract Lieutenant Auner.

Detective Saavedra told Deputy Lopez Rivas he was going to discharge cover fire at the eaves of the apartment. Detective Saavedra discharged approximately ten to fifteen rounds and Deputy Lopez Rivas saw the stucco debris ejected near the left of the northernmost window of the suspect's apartment and the roofline.

IAB Note: During the interview, Deputy Lopez Rivas was read the video advisement. He viewed his BWC footage [EXHIBIT B, BWC Videos, Video 3] to facilitate recollection of the incident. Deputy Lopez Rivas estimated his BWC was turned on approximately three to five minutes after all the shooting had concluded.

Lieutenant Auner discharged approximately ten to fifteen rounds toward the front of the suspect's apartment. Deputy Lopez Rivas did not know what Lieutenant Auner aimed at and was uncertain of Lieutenant Auner's position when he discharged his firearm. Deputy Lopez Rivas was confused about the sequence of events, and whether Detective Saavedra or Lieutenant Auner fired first. Deputy Lopez Rivas could not provide additional details to describe Detective Saavedra and Lieutenant Auner's gunfire. He was also uncertain if Lieutenant Auner and Detective Saavedra fired one volley of gunfire or two. At some point approximate to Lieutenant Auner's and Detective Saavedra's shots, Deputy Lopez Rivas heard Deputy Magana fire the rifle. He did not see Deputy Magana fire the rifle, nor did he know where he was positioned. He could tell Deputy Magana fired, because the sound of the rifle carried by Deputy Magana was distinctively louder that the other handguns.

Deputies Lopez Rivas and De Oliveira turned on their BWC. An unmarked patrol vehicle moved into position near Lieutenant Auner. Deputies in the breezeway began the process of evacuating residents of the nearby apartments. SEB arrived and ordered the suspects out of the apartment. The suspects exited the apartment and were taken into custody without incident.

Deputy Bruno De Oliveira

On February 8, 2022, Deputy De Oliveira was interviewed by IAB Sergeant Benjamin Grubb.

IAB Note: During the interview, Deputy De Oliveira viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.

On May 13, 2021, Deputy De Oliveira was assigned to the city of La Puente SAO team at Industry Station with Deputies Lopez Rivas, Haringsma and Magana. He attended the briefing prior to the service of the search warrant for Suspect Caldera's residence. His assignment for the operation was to assist OSS with the search and detention of any suspects removed from the location.

Deputy De Oliveira responded to the [redacted] address and approached the suspect's apartment. The OSS detective entry team conducted the knock and notice, as Deputies De Oliveira, Haringsma and Lopez Rivas stood to the rear of them on the stairs. Deputy Oliveira focused on the window to the south of the suspect's apartment as the detectives used the ram to breach the door. A volley of approximately five to eight shots were heard, which Deputy De Oliveira thought came from inside the apartment. Deputy De Oliveira thought someone from within the apartment shot at the entry team. The entry team and all deputies on the stairs retreated to the breezeway area. Lieutenant Auner was underneath the carport next to a vehicle.

Shortly after the retreat to the breezeway, five to ten more shots were heard. Deputy De Oliveira believed the shots came from within the suspect's apartment. Deputy Magana broadcasted emergent radio traffic a shooting had occurred during the service of a search warrant.

At approximately the same time as the second volley of gunfire heard by Deputy De Oliveira, Detective Saavedra, and Lieutenant Auner discharged their firearms. They both fired in close time proximity to each other, and Deputy De Oliveira was uncertain who had fired first. Detective Saavedra's gunfire was broken up into two separate volleys of gunfire. Detective Saavedra stated, "cover fire," before he fired approximately ten rounds, at the front of the apartment. Deputy Oliveira did not know where Detective Saavedra's rounds struck. Deputy De Olveira could not provide additional details to describe Detective Saavedra and Lieutenant Auner's gunfire. Deputy Oliveira was not sure if Detective Saavedra or someone in Lieutenant Auner's group stated, "...they saw somebody with a firearm out the - the window" **(Deputy De Oliveira's IAB transcript, page 22)**. Deputy De Oliveira was equipped with a BWC, which he activated after the shooting had concluded.

IAB Note: **During the interview, Deputy Oliveira was read the video advisement. He viewed his bodycam footage [EXHIBIT B, BWC Videos, Video 2] to facilitate recollection of the incident. Deputy Oliveira stated his BWC was turned on after all the shooting had concluded.**

After a review of the footage, Deputy Oliveira stated Deputy Nanquil and the LADA investigator went to Lieutenant Auner's position after the shots had concluded. This was contrary to how he had described it earlier, in which he stated the shooting occurred with the group already positioned alongside Lieutenant Auner.

Deputy Oliveira assisted with the evacuation of the apartment complex residents. Afterward, he maintained a position with a view of the suspect's front door until the arrival of SEB.

Deputy Jason Haringsma

On February 8, 2022, Deputy Haringsma was interviewed by IAB Sergeant Benjamin Grubb.

> IAB Note: **During the interview, Deputy Haringsma viewed and initialed reference photos [EXHIBIT C] of the location, which were utilized to facilitate his recollection of the incident.**

On May 13, 2021, Deputy Haringsma was assigned to the city of La Puente SAO team at Industry Station along with Deputies Lopez Rivas, De Oliveira and Magana. He attended the briefing prior to the service of the search warrant for Suspect Caldera's residence. His assignment for the operation was to assist OSS with the search and detention of any suspects removed from the location. He responded to the [redacted] address and approached the suspect's apartment. The OSS team went up the stairs, as Deputy Haringsma stood on the stairs to the rear of the team. Lieutenant Auner looked at parked vehicles in the carport to the north.

The OSS detectives conducted the knock and notice. Deputy Haringsma heard three to four gunshots which he believed came from a suspect shooting at the entry team from within the apartment. Deputy Haringsma and the group retreated down the stairs and gathered in the breezeway area. Approximately fifteen seconds after the first volley of gunfire, another three or four gunshots were heard, which Deputy Haringsma believed came from within the suspect's apartment.

Lieutenant Auner was ducked down behind a vehicle in the carport to the north. Detective Saavedra told the deputies in the group he was going to shoot cover fire. Deputy Haringsma stated he believed the cover fire was so Lieutenant Auner and Deputy Nanquil could move into a better position.

About five seconds later, Detective Saavedra fired approximately five to ten rounds. Deputy Haringsma stated, "It looked like he was aiming towards the upper corner of the -- the eave" **(Deputy Haringsma' s IAB transcript, page 22)**. The rounds went up through the metal railing and struck the security screen door. Detective Saavedra reloaded and approximately fifteen seconds later, he fired five to seven more rounds.

Lieutenant Auner also discharged his firearm approximately three to four times, but Deputy Haringsma could not provide more details as to when in the sequence of events this occurred. Deputy Haringsma could not recall exactly how Lieutenant Auner and Deputy Nanquil moved out of position from behind the vehicle.

SEB personnel arrived and relieved the deputies of their positions. The suspects later surrendered and exited the apartment. They were detained and placed into police vehicles.

SUSPECTS

Suspect Eddie Caldera – OSS Interview

On May 13, 2021, Suspect Caldera On was interviewed by OSS Detectives Carlos Gutierrez, #[redacted] and Armando Arevalo, #[redacted] The interview was audio recorded and transcribed **[EXHIBIT A, OSS Interview Audios and Transcripts].**

Suspect Caldera was asked what happened when the deputies came by his apartment. Suspect Caldera was inside the apartment with his friend, Suspect Cabral, when someone tried to come through the front door. He got scared and tried to throw the white rifle out of the window when the police started shooting. Caldera stated his DNA and prints would be on the white rifle. Suspect Caldera stated no one else was inside the apartment besides himself and Suspect Cabral, and neither of them shot a firearm.

Suspect Caldera declined to provide further details to OSS investigators and the interview was concluded. IAB Investigators requested to interview Suspect Caldera through an email **[MISCELLANEOUS DOCUMENTS]** exchange with his attorney. Suspect Caldera did not respond to the request.

Suspect Raymond Cabral – OSS Interview

On May 13, 2021, Suspect Cabral On was interviewed by OSS Detectives Gutierrez and Arevalo. The interview was audio recorded and transcribed **[EXHIBIT A, OSS Interview Audios and Transcripts].**

Suspect Cabral stated he and Suspect Caldera were on the bed asleep together. They heard a loud noise of someone breaking into the apartment. Suspect Cabral looked out the window and saw the police in the back alley. Suspect Caldera jumped up from the bed and approached the bedroom window and police began shooting. Suspect Cabral remained down "on the floor and he's (Suspect Caldera) looking. Then he's (Suspect Caldera) going back and forth. Bullets are flying" **[EXHIBIT A, OSS Interview Transcripts, Suspect Cabral's OSS Interview, page 15]**. Suspect Cabral stated the firearm was not his, nor did he or Suspect Caldera discharge a firearm, and only the police had fired. After the shots were fired, Suspect Cabral stated he and Suspect Caldera spoke to police from the rear window and held their hands up.

Suspect Cabral stated he was homeless, and rarely ever in the area. He stated he flies around frequently between Mississippi and New York. Suspect Cabral declined to provide further details to OSS investigators and the interview was concluded. IAB investigators attempted to interview Suspect Cabral. A certified request letter **[MISCELLANEOUS DOCUMENTS]** to his last known address returned unclaimed.

ADDITIONAL INFORMATION

The LADA Investigators participated in voluntary interviews with OSS detectives. The interviews were audio recorded and transcribed **[EXHIBIT A, OSS Interview Audios and Transcripts]**. IAB investigators requested follow-up interviews with the LADA investigators, which were declined by their legal representative, Attorney Maureen Okwuosa from the law firm of Rains Lucia Stern St. Phalle & Silver. LADA's [redacted] told IAB investigators that LADA investigators were not required by internal policies to provide additional interviews regarding the incident.
